

TOGETHER
WE CAN
ACHIEVE SO
MUCH MORE.

Your Membership Joining Pack

MEMBERSHIP IS WHAT MAKES RBH SPECIAL. WE'RE OWNED BY OUR TENANT AND EMPLOYEE MEMBERS.

This means that our members are shareholders with each member owning one share in RBH in line with the principle of one member – one vote!

GARETH,
RBH's Chief Executive
 All our tenants and employees can get involved and have a say about our services and neighbourhoods. However, it's our members who have opportunities to develop, design and make decisions about how we manage homes, deliver services and support communities.

JOIN US AND:

- **Have a voice and a vote in the decisions that affect how we manage homes and deliver services** – You can get involved as much or as little as you choose with opportunities to:
 - Get involved from your own home
 - Attend one-off activities or join a group to shape and improve our services
 - Stand for election to the Representative Body and represent members in deciding the future direction of RBH

It doesn't cost anything to join but membership isn't automatic - choose to become a member today.

- **Get involved in your community** – members can apply for grant funding or support someone else's application to deliver volunteer-led projects in your communities. The tenant and employee members on the Community Funding Panel decide which applications receive funding.

- **Keep in touch with the latest news** - through our member only newsletters and emails.
- **Take advantage of exclusive membership benefits** - We put our members first and say thank you by offering you a range of exclusive benefits.

GARY & HILARY “ We joined because membership is an opportunity to be part of what RBH is doing and to have a real input into the place we live, resulting in changes for the better.” ”

There's something for everyone, whether you have a few minutes to spare to vote and read your newsletter or longer and want to get more involved. It's your membership and you can be involved as much or as little as you choose.

OUR VALUES: Our Values are the way we will behave as a society and individually

OUR MEMBERS HAVE INFLUENCE AND MAKE DECISIONS.

EMILY “ I had some time on my hands and I thought why not! So I got involved with the Sheltered Housing in Partnership group. This is something which I care about and if I can give my two-penneth then all the better! ”

YOUR MEMBER BENEFITS

We value our members and keep you well-informed. We put our members first and say thank you by offering you a range of exclusive benefits. These focus on supporting members into work and improving health and wellbeing. Member competitions and prize draws also offer some nice little surprises and our member awards say thank you to those people whose voluntary work makes such a positive difference in your communities.

Keeping you well informed

The membership newsletter keeps members up to date with the work and decisions of your Representatives and the latest news from RBH. We also email members to let you know about activities and events in your area that you may be interested in and to tell you about the latest training, volunteering and work opportunities available through RBH and our partners.

Every time we reach a milestone of 500 more new members we hold a prize draw. Geoffrey from Heywood won £50 when we reached 5,000 members.

DANNY “ I enjoy reading the membership newsletter. It keeps me up to date with what my representatives are doing and what the latest membership offers, prize draws and competitions are. ”
