

Home Interior Design for Fun

RBH and Rochdale Housing Initiative are running **FREE** Interior Design courses for RBH residents starting in January 2012. Locations and dates of courses are still undecided, however we are taking applications from **ANYONE** that might be interested, and places are filling up quick.

What is the Interior Design Course? The interior design courses will give people the opportunity to:

- Try new ways to redecorate rooms in their own home, so they look good and work well
- Avoid making expensive mistakes caused by choosing the wrong colours or furniture when redesigning or decorating a home
- Try and apply some of techniques used in popular home makeover programs and magazines

I can't do all that! That's what the course is for!

We'll start with the easiest work & Catherine, the course tutor, will demonstrate the techniques and help you try them out, also working with a group means you can exchange ideas and work together.

To apply for this interesting, new course please feel free to attend one of open days below, or contact **Raki Dad at RBH on 01706 273812 ASAP**, as numbers are filling up quick and places are limited.

Open Days:

Kirkholt Drop in Centre – **Wednesday 16th November**, any time between 11am & 1pm.

Newbold Housing Office – **Wednesday 30th November**, any time between 11am & 1pm
