For the last 4 years she has been Group Finance Director at Your Housing Group, a large RP based in Warrington.

She has held a number of Non Executive roles in education and housing and was a founder member of the Greater Manchester LEP. She is currently NED at North West Boroughs Healthcare, a local Foundation Trust that specialises in Mental and Community health.

Alison believes passionately in the need for social housing, community development and regeneration and is excited to bring her skills to the role of Chair for RBH. She is married with three grown up sons and lives in Warrington.

NON-EXECUTIVE DIRECTOR

LUEN

has a career spanning some 25 years in the voluntary and not for profit sectors with leading organisations such as the charities NSPCC and Barnardo's, housing providers such as Yarlinton Housing Group and social care organisations such as Carers Trust and Crossroads Care. Luen has also worked with campaigning organisations such as the Voluntary Organisations Disability Group, campaigning for better services for people with disabilities and improved social care.

Luen has recently taken up the post of CEO at Forget Me Not Children's Hospice, a charity which operates across West Yorkshire from Russell House in Huddersfield and North Manchester, including Rochdale from Grace's Place in Radcliffe. The hospice serves over 2000 children and families living in the area with life limiting conditions by providing care and support on site and at home. Much of Luen's work is related to income generation since the hospice only receive 4% of running costs from the NHS. Luen is also the Nominated Individual with the Care Quality Commission, ensuring services provided are top quality. The Hospice has an outstanding rating, meaning it is in the top 1% of providers in the country.

People often think of hospices as sad places, but Forget Me Not is a truly magical place. Our team of staff and volunteers take great pride in sprinkling a little bit of magic for families in their care during extraordinarily difficult times, providing a cosy blanket of support, making memories and spreading as much joy as families can handle.
